npm

Yarn

### Design Tools

Figma

Adobe XD

InDesign

Illustrator

Photoshop

## Education

Red River College    Winnipeg, MB

Diploma in Digital Media Design with a major in Web Design and Development.

## Interests

Philosophy    Music

## Projects

### Linkup

Linkup is a web application that allows users to create an online hub for multiple links to their content and social profiles, so their audience can easily find all of their content.

### Winnipeg Transit Live

An app dedicated to making commuting through Winnipeg Transit as seamless as possible. With live updates and a simple interface, it provides all of the functionality necessary for a successful commute.

### Stoic Widgets

Stoic Widgets is an iOS 14 widget app that pushes stoic wisdom to your lock screen every day. Here, you will find quotes from Roman Emperor Marcus Aurelius, Stoic Philosopher Seneca, Epictetus, and others.
